March 7, 2009 Southern California	November 7, 2008	January 15, 2009	October 3, 2009 Northern California	June 5, 2009	August 13, 2009
March 6, 2010 Northern California	November 6, 2009	January 14, 2010	October 2, 2010 Southern California	June 4, 2010	August 12, 2010

Professional Geophysicist (PGp) and Registered Certified Specialty Examinations

Spring	Final Filing Date for Spring	Postponement Deadline for Spring
March 8, 2008 Northern California	November 27, 2007	
March 7, 2009 Southern California	November 7, 2008	January 15, 2009
March 6, 2010 Northern California	November 6, 2009	January 14, 2010

Note: All forms and fees are due by the final filing date, including the application, application fee, supporting documentation and examination fees.

California Code of Regulations (CCR), Title 16, Division 29 §3032(c): Whenever circumstances warrant, the board may postpone, advance, or otherwise change the examination schedule previously published.

Protection of the public shall be the highest priority for the Board for Geologists and Geophysicists in exercising its licensing, regulatory, and disciplinary functions. Whenever the protection of the public is inconsistent with other interests sought to be promoted, the protection of the public shall be paramount. (Business and Professions Code Section 7810.1)

Due date for fees, applications and supporting documentation

All forms for the “Application for Registration and for Administration of Examination” are due prior to the date specified in the examination calendar. This includes:

- “Application for Registration and for Administration of Examination”
- “Independent Evaluation of Scope, Character and Duration of Applicant’s Qualifying Work Experience”
- transcripts (as requested)
- representative reports (as requested)

All required application fees and examination fees must be paid at the same time, in accordance with the published fee schedule. Fees are also due no later than the specified date for receipt of the application form and all required supporting documentation.

The examination calendar – including the due date for applications, supporting documentation and fees – is available on the Board for Geologists and Geophysicists’ website.

Action	Fee	Notes
Application for Registration and for Administration of Examination	\$250	This fee must be paid for all applications, regardless of whether a previous application has been submitted for any reason or the application is being submitted to retake any portion of the examinations for registration or certification.
Examination fees: PG examination OR ASBOG® Fundamentals of Geology + ASBOG® Practice of Geology	\$300	This fee is in addition to the fee for application for registration.
ASBOG® Fundamentals of Geology Only OR ASBOG® Practice of Geology Only	\$150	This fee is in addition to the fee for application for registration.
ASBOG® Fundamentals of Geology + California Supplemental Component OR ASBOG® Practice of Geology + California Supplemental Component	\$250	This fee is in addition to the fee for application for registration.
California Supplemental Component Only OR Professional Geophysicist OR Specialty Geologist Certificate	\$100	This fee is in addition to the fee for application for registration.
